RE: Medical Treatment for
Moskaleva, Svetlana * 17.07.1982– treatment of your unborn child

Dear Mrs. Moskaleva,

you are pregnant with a baby which is suffering from a congenital heart defect. The baby urgently should be treated as soon as you have given birth. Our physicians saw, that the baby should undergo following treatment at the German Heart Institute Berlin.

The medical classification is solely based on the presented medical records and can be revised upon the initial medical examinations.

Should you not wish to be treated by the chief surgeon or by an appointed physician under the chief surgeon's supervision the estimated costs for this procedure will be:

- complex interventional heart catheterization	16.680,00 €
- complex and complicated surgery utilizing the heart-lung machine	40.140,00 €
- additional days in our clinic (30 x 1.535,00 €/day)	46.050,00 €
- complex diagnostic heart catheterization	5.970,00 €
- complex and complicated surgery utilizing the heart-lung machine	40.140,00 €

	148.980,00 €
	=====

Should you not wish to be treated by the chief surgeon the estimated costs for this procedure will be:

- complex interventional heart catheterization	12.420,00 €
- complex and complicated surgery utilizing the heart-lung machine	27.060,00 €
- additional days in our clinic (30 x 1.150,00 €/day)	34.500,00 €
- complex diagnostic heart catheterization	4.095,00 €
- complex and complicated surgery utilizing the heart-lung machine	27.060,00 €

	105.135,00€

Each sum includes a maximum of 27 days of hospitalization + 30 day's extra. Every further day will be billed in addition with 1.535,00 € for treatment by the chief surgeon/appointed physician or with 1.150,00 € for treatment under supervision of the chief physician.

This sum includes hospitalization fees, materials, medication, intensive care, physiotherapy, echocardiography, x-ray, ecg., and laboratory examinations. Standard room accommodation is provided.

Please note, that the indicated prices are lump-sums, and that in the case of non-utilization of the mentioned maximum hospitalization period, this will not lead to a reduction of the package price.

Provided either you or your insurance company is willing to cover these expenses, we will request the sum mentioned above to be deposited in advance to the following bank account of the German Heart Institute Berlin (Deutsches Herzzentrum Berlin):

Recipient: Deutsches Herzzentrum Berlin
Bank: Landesbank Berlin -Girozentrale-, Berlin
Account no.: 310 008 000
Bank Sort no.: 100 500 00
S.W.I.F.T.: BELADEBE, IBAN: DE 42 1005 0000 0310 0080 00
Please indicate the name of the patient.

We will arrange dates for hospital admission and operation as soon as the transfer is confirmed by our bank.

During your stay in Berlin, friends or family members of yours may wish to stay at our own guesthouse, the Axel Springer Guest House, which is located on the hospital grounds. However, the additional guesthouse costs would need to be paid separately.

If you agree with these terms or should you have any further questions, please do not hesitate to contact Dr. Ovroutski by telephone: ++49 30-4593-2834, or fax: ++49 30 4593-2900.

Sincerely,

Prof. Dr. med. F. Berger
